

## LOCALS WIN FIRST GAME

Of The Season At Hiawatha  
Park Sunday Afternoon

By The Fine Pitching Of  
Tanner And The Support

Given Him By The Other  
Members Of The Team

Good Crowd Of Rooters  
Braved Drizzling Rain

And Saw The Fast Renner-  
Weber Team Shut Out

In spite of a drizzling rain which fell during almost the entire game, the Hiawatha team defeated the Renner-Weber team of Mansfield Sunday afternoon by a score of 4 to 0 in a fast, clean contest which was marked by the exceptional manner in which the members of both teams handled the wet ball. The Mansfield aggregation was beaten by great pitching by Tanner with good support behind him.

During the first inning a cold rain began to fall causing a large number of the usual good sized crowd of first game spectators to seek shelter. However, when the scrimmage began to grow warmer they braved the drizzle without a murmur. Tanner pitched mid-season ball, striking out twelve men, while O. Schmidt starred at short by pulling down a screaming liner from Gregg's bat in the sixth. It was a great one-hand catch. F. Schmidt secured two long triples into left field.

The first run getting came in the 4th inning. F. Schmidt hit for three bases and scored on O. Schmidt's infield hit. Wuchner sacrificed. Gould hit to Krumm who threw to Antrican to catch Schmidt. Antrican dropped the throw, Schmidt and Gould being safe. Popejoy hit a slow grounder to the infield and Schmidt was caught between third and the plate. Kelley blocked the base line and Schmidt was allowed to score. Popejoy taking second. Mondron walked. Tanner was out, Antrican to Wolfe. Critchfield fled to Gregg.

In the fifth Bonnell beat out a slow roller to third and counted on F. Schmidt's second long triple to left. O. Schmidt, Wuchner and Gould were easy outs.

The score:

**Notes of the Game**  
The battery work was of a calibre seldom seen in the first game of the season. Tanner was invincible at all stages while Wuchner worked at the receiving end in mid-season style.

Several familiar faces appeared in the Mansfield line-up. Longsdorf and Vany, both of whom played on last year's Hiawatha team, were with them but the former did not perform. Jay Gould made his first appearance as a ball player in the city Sunday afternoon. He covered the territory around second base in creditable style and handled the stick well.

While five reached the second sack during the game, not one Mansfield player reached third.

F. Schmidt pulled off an excellent bit of base running in the 5th inning. His hit sailed to the pump house in left, but was returned speedily. He noted that the throw-in was a trifle high a moment after it left Gregg's hand and dashed to third.

Judging by the large crowd of fans that turned out in the cold rain to see yesterday's contest, it will be pretty safe to say that the team will be well supported this season.

Otto and Frank Schmidt will perhaps not be seen on the local team any more this season. Both have signed with the Salem O. & P. league team and will report this week.

Umpire Richards' decision in the 4th inning was warmly disputed when he allowed O. Schmidt to score from third when Kelley deliberately blocked him on the base line. That the decision is correct is proved in Rule 54, Section 5.

### TIME NOW

To Whack The Fly And Head Off  
Breeding Of Millions

Now is the time to whack that stray house fly buzzing around the window panes. An ounce of prevention is better than a pound of cure and prevention of fly birth is better than an unequal contest with hordes of the disease bearing and disagreeable pests later. Wallace's Farmer is authority for the statement that every fly destroyed at this time when they are first appearing, means the prevention of the birth of 2,000,000 before summer is over.

Ritter spent Saturday in Mt. Vernon and it was learned by the attorney for the plaintiff, Park B. Blair, that Ritter was to return on the 9:43 B. & O. train. Accordingly Clerk of Courts Hayes was found at his home and accompanied the attorney to the clerk's office where the suit was filed at 9 o'clock. The summons was given to Sheriff Parker and was served upon Ritter as he was about to board the train for Belleville Saturday night.

### BEAUTIFUL SIGHT

Presented By The Moon With A  
"Rainbow" Saturday Evening

The attention of many Mt. Vernon people was attracted to the beautiful sight presented by the moon Saturday evening. Surrounding the orb was a halo of light golden hue, in width about three times the apparent diameter of the moon, and this merged into a circle of blue. The blending of the colors was very much like that of a rainbow, but there was an absence of the variety of colors of the rainbow. The unusual phenomenon was due to the reflected light of the moon on a damp atmosphere.
